

UpHouse®

**FRONTLINE
FRIENDS**

Matt is a power line technician. He climbs hydro poles and rides in bucket trucks to bring people electricity. We need electricity to keep our homes warm and to keep us busy doing fun things like watching cartoons. By staying home, you make sure Matt and his sons Woody and Joe are all kept safe at home watching cartoons, too. When it's safe to be together again Matt can't wait to take his sons to a Jets game – go Jets go!

When you stay home you protect the Frontline Friends who protect you and me. Thanks for taking care of Matt.
