# FRONTLINE FRIENDS

Marc is a firefighter and paramedic. He drives fast in a big red fire truck, with flashing lights and loud sirens, to get to people who need his help. He can help people who are hurt or sick, or even put a fire out. Because he's always racing to help in his red fire truck, he comes across a lot of people he has to keep safe. When we stay home, we help keep Marc and his family safe too. Marc looks forward to gathering with family at the cabin when it's safe to be together again, and meeting his daughter Lucy's new sibling.

**When you stay home, you protect the Frontline Friends  
who protect you and me. Thanks for taking care of Marc.**
